

STRATEGY DEVELOPMENT FOR JUNIOR FACULTY–PANEL

Session Organizer: Andrew E. Thomas (INL)

This panel discussion will address topics important to junior and tenure-track faculty members including course development strategies, student mentoring and development, proposal writing, and tenure package preparation among other topics. The panel will be composed of one senior faculty member, to moderate discussion and provide input, and three junior faculty members or recently tenured professors that will spur discussion on topics of importance to faculty members during their early academic careers. The panel will be focused on facilitating robust discussions with attendees to create a space for junior faculty members to come together as a community.

Panelists: Todd Allen (*Univ of Wisconsin, Madison*)
Assel Aitkaliyeva (*Univ of Florida*)
Katy Huff (*Univ of Illinois, Urbana-Champaign*)
Jeremy Roberts (*Kansas State Univ*)
